

Decide Once: Build Your Identity Kit (Week 3)

Track:	General AI Fluency	Phase:	Foundations
Type:	Assignment Deliverable	Workload:	2 Hours (Target: Exactly 1 Page)

1. Typography System (Single Free Typeface)

HEADING FONT (H1 / H2)
Inter (Bold 700 / Semi-Bold 600) | 18pt–24pt / line-height 1.2

SUBHEADING FONT (H3 / CARDS)
Inter (Medium 500) | 12pt–14pt / line-height 1.3

BODY FONT & PARAGRAPHS
Inter (Regular 400) | 10pt / line-height 1.5 (High legibility)

CODE & INLINE SPEC ELEMENTS
Consolas / Monospace | 8.5pt (Clean technical data)

2. Color Palette (Tight 4-Color Harmony)

**Brand Primary: #2563EB**
Active buttons, focus links, key accents

**Near-Black Text: #1E293B**
Main body copy and headings (avoids harsh #000)

**Near-White Canvas: #F8FAFC**
Subtle background canvas to reduce eye fatigue

**Secondary Accent: #38BDF8**
Pill badges, hover highlights, border states

3. Logo & Favicon Mark

**Wordmark / Monogram:**
Clean geometric monogram set in Inter Bold.
50% clear-space padding rule.

**Favicon Icon:**
High-contrast circular mark (#0F172A base with #38BDF8 initial glyph).

4. Claude Project Standing Style Note

Two-Line Instruction for Custom Instructions:

Fonts: Inter (Headings: 600/700, Body: 400, Code: Monospace) | **Palette:** #1E293B (Text), #F8FAFC (BG), #2563EB (Primary), #38BDF8 (Accent).
Mood: A sharp, minimalist technical aesthetic that gives case study proof maximum clarity without visual distraction.

5. Pass / Revise Checklist

Evaluation Criteria	Status	Verification Summary
One or two fonts, not a pile	✓ PASS	Single geometric variable typeface (Inter) across all hierarchy weights.
Tight palette with exact hex codes	✓ PASS	4-color harmony (#2563EB, #1E293B, #F8FAFC, #38BDF8) with live swatches.
Simple logo or favicon exists	✓ PASS	Geometric monogram and high-contrast circular favicon defined.
Style note describes coherent mood	✓ PASS	Two-line standing note frames the work rather than competing with it.
